**MDC SELECTS D. ALVERIO & CO. AS VENDOR**

NEW BRITAIN, CONN., (March 5, 2007) – D. Alverio & Co. has been selected as a pre-qualified vendor for the Clean Water Project of the MDC. Diane Alverio completed the rigorous supplier selection process through the MDC to illustrate her company's proven performance and excellence in business.

“This is a wonderful confirmation of our performance in a very competitive field,” Alverio said. “We recently completed a comprehensive public education campaign for the MDC's Clean Water Project, which was highly successful. We are excited to continue working on these important public awareness programs.”

According to the MDC, the company looks for four basic attributes in a vendor: Furnishing a product or service of very high quality that meet our specifications; Being customer focused; Offering cost savings; Building strong relationships and developing trust. Additionally, MDC requires vendors to be certified by appropriate purchasing agencies. D. Alverio & Co. is certified by the Connecticut Minority Supplier Development Council.

The MDC is a nonprofit municipal corporation chartered by the Connecticut General Assembly in 1929. The District provides water, sewer and household hazardous waste collection services to its member municipalities: Bloomfield, East Hartford, Hartford, Newington, Rocky Hill, West Hartford, Wethersfield and Windsor. In addition, under a series of special agreements, the District supplies treated water to Glastonbury, the southern portion of South Windsor, the eastern portion of Farmington, East Granby and Unionville.
